Digital Personal Copiers
PC-D320 / PC-D340

Share in the success

10 million reasons to profit from personal copying

Over 10 million people have chosen Canon's personal copiers for ease of use and high quality output - a world record that's way ahead of the competition. Now you too can enjoy all the benefits of hassle-free, high quality personal copying. The PC-D320 adds digital efficiency to ease and excellent quality. While the PC-D340, featuring a 50-sheet Automatic Document Feeder, is the ideal choice for busy people that need to enhance productivity even further.

EASIER THAN EVER

HASSLE-FREE OPERATION

The clear and intuitive control panel enables extra easy operation. Canon's All-in-One cartridge can be simply changed in seconds - which means there's no mess, just clean hands. A 250-sheet paper capacity meets all your copying needs. While the flatbed design makes copying books or magazines simple. Plus the PC-D340 has an Automatic Document Feeder to add to overall ease.

HIGH QUALITY, HIGH SPEED

SUPERIOR IMAGE QUALITY

Both the PC-D320 and PC-D340 guarantee excellent image quality for all your work - whether fine text, detailed diagrams or even photos. 256 greyscale reproduction provides perfect halftones, and auto exposure ensures you always get the best results. Apart from consistently high copy quality, there's an economical toner-saving mode to cut costs.

SPEED ALWAYS AT 14 CPM

Speed is a constant 14 copies per minute for both models - even when you are using the 50-sheet Automatic Document Feeder on the PC-D340. There is no slowdown in speed as documents are fed to match the printing speed. There's virtually no warm-up time and also a fast first copy out time - in only 11.2 seconds. So you get through all your work faster.

FLEXIBLE DIGITAL FUNCTIONS

PERFECT LASER PRINTING

Both copiers feature a USB port, allowing you to transform your unit into a productive 14 pages per minute laser printer. With a 1200dpi (enhanced) print resolution you can take advantage of both high quality and high speed printing. Thus giving you both superior printing and copying, all in one compact and cost-efficient machine.

EXTENSIVE DIGITAL EFFICIENCY

Thanks to the flexible digital functions of the PC-D320 and PC-D340, you can easily increase efficiency. Use the convenient 2-on-1 copying function to copy two originals on a single sheet of paper, thus saving on paper and filing space. A 'scan once print many' feature prints multiple copies from memory. And save time with electronic sorting, as multiple sets are printed out with pages collated. No mechanical sorter is needed.
